STI continues their investigation.

History 02-14-2015

El Paso, TX - Investigators assigned to the El Paso Police Department's Special Traffic Investigations (STI) unit responded to assist Mission Valley officers with a fatal traffic collision Saturday, February 14, 2015 at 5:54 a.m. The investigation revealed that a Male was driving a white 1998 Toyota westbound on Alameda at the 9000 block, when for unknown reason, swerved into the eastbound lanes. The Toyota collided head-on with an eastbound 2001 Lincoln being driven by a Female. The Male operator of the Toyota suffered serious injuries and was transported to Del Sol Medical Center where he later died. A Female passenger in the Toyota suffered serious, but non-life threatening injuries and was transported to Del Sol for treatment. The Female operator of the Lincoln was transported to University Medical Center for treatment of non-life threatening injuries. It is unknown at this point of the investigation if speed, alcohol, or drugs are a contributing factor. STI continues their investigation.
